

THE 24H SPA EWC MOTOS: RETURN OF A LEGENDARY RACE!

The 24H SPA EWC MOTOS will be held on the 4 & 5 June 2022 on the Circuit of Spa-Francorchamps.

A new page of the Circuit's century-old story will be written with the return of the Spa-Francorchamps track to the FIM Endurance World Championship (EWC) calendar.

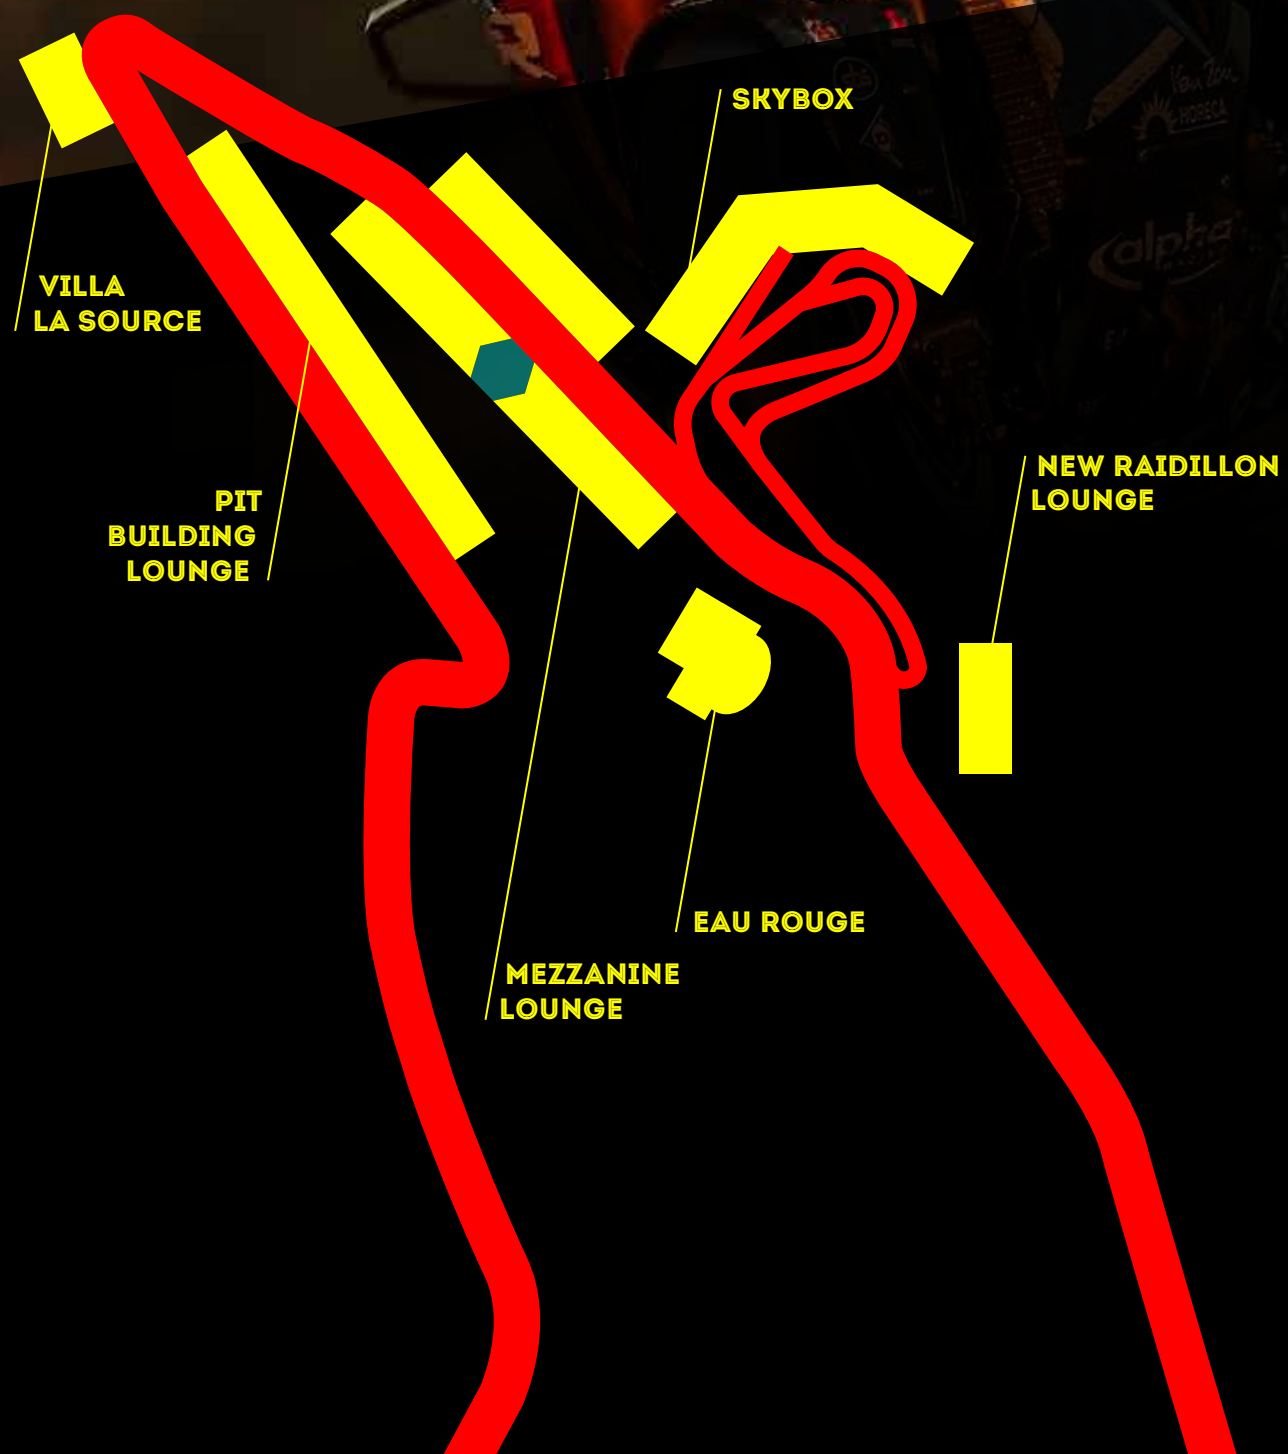

A renowned event on the World Endurance calendar from 1973 to 2003 under the name of the 24 Hours of Liège, this great meeting will be back again on our ultra-fast undulating track in 2022 and not to forget its iconic corners: Raidillon, Double Gauche, Bruxelles, Chicane, and so on. This event will delight two-wheel fans and offer an exceptional show to the general public.

The Circuit is thrilled to welcome everyone back with lots of attractions and renovated infrastructure to offer an amazing weekend to spectators.
